107 SELECTION and REPORTING of DIVISIONAL ENTRIES

108 SUBSTITUTIONS

- 108.1** During Playdowns, no substitutions shall be permitted once play has commenced.
- 108.2** Before the Championships, if illness or other acceptable reason prevents a singles entry or one or both members of a pairs team from continuing in the competition, substitution will be permitted as follows:
- 108.2.1 Singles:** The first runner-up in that Division's Playdowns. If the first runner-up cannot compete, then the Division shall follow the succession of runners-up recorded.
 - 108.2.2 Pairs:** The first runners-up in that Division's Playdowns. If the first runners-up cannot compete, then the Division shall follow the succession of runners-up recorded and/or find another substitute from their Division.

- 108.3** During the National Championships, substitutions will be allowed if the Division that requires the substitute is able to find another divisional bowler available or willing to play. If that divisional bowler is not available or willing to play, then the alternative option of utilizing the Host Division's pool of substitute players will be considered.

108.4 Scoring during the National Championships:

108.4.1 If a singles player or a team must withdraw from play for any reason, determination of scores will be as follows:

108.4.1.1 All of the games of the singles player and/or team's games played shall be expunged and results will be calculated as a bye for their opponents.

108.5 During the National Championships, if a singles player or a team has to leave the green during the course of a game due to illness or some other reasonable cause, and they cannot return within 10 minutes, the defaulting player or team will forfeit the game to their opponent. If the defaulting player or team is able to return to the event for the next scheduled game, they may do so. Otherwise, the player or team must withdraw from the event and 102.4 shall apply.

108.6 Best Winning Division of the National Championships

An award will be presented to the Division who has the most wins during the National Championships.

108.6.1 A Division will be awarded 3 points for a game won. If a Division's winning team includes a substitute, the 3 points accrue to the Division for whom the substitute is playing; i.e., when a Northeast Division team with a Northwest Division substitute wins a game, the 3 points accrue to the Northeast Division.

108.6.2 A perpetual plaque will be provided by Bowls USA. The winning Division will have the Division's name engraved onto the plaque for the year that it is won, paid for by Bowls USA.

108.6.3 The winning Division will retain the plaque for the year and must arrange for it to be delivered to the host club to the Opening Ceremonies of the next year's National Championships.
